COURSE-III: OPTIONAL-II:

BANKING LAW

OBJECTIVES :

A Vitrally important economic institution the banking is deeply influenced by socio-political and economic changes. The emerging changes in India, particularly after the initiation of the planning process as an instrument of rapid economic development had molded and the affected the banking structure, policies, patterns and practices. A significant development in the banking system is diversification in banks financing. The Commercial banks entered into the field of wide ranging financial assistance to industry, both large and small scale, requiring the need for social control of the banking system eventually leading to the nationalization of banks.

The conventional banking system, found to be deficient for planned developmental purposes, paved the way for developmental banking. The fag of the last millennium witnesses influx of foreign banking companies into India and a shift in the banking policy as part of the global phenomenon of liberalization. The legal system is adopting itself into the new mores.

This course is designed to acquaint the student with the conceptual and operational parameters of banking law, the judicial interpretation and the new and emerging dimensions of the banking system.

COURSE-II: OPTIONAL-I:

INSURANCE LAW

Objectives:

The insurance idea is an old-institution of transactional trade. The main objective of every insurance contract is to give financial security and protection to the insured from any future uncertainties. Hence, insurance is considered as an inevitable component of economic development. Even from olden days merchants who made great adventures, gave money by way of consideration to other persons who made assurance, against loss of their goods, merchandise ships and things adventured. The rates of money consideration were mutually agreed upon. Such an arrangement enabled other merchants more willingly and more freely to embark upon further trading adventures. The operational framework of insurance idea is provided by the general principles of contract. The insurance policy, being a contract, is subject to all the judicial interpretative techniques of rules of interpretation as propounded by the judiciary. Besides, the insurance idea has a compensatory justice component. This course is designed to acquaint the students with the conceptual and operational parameters of insurance law in the light of various legislations regulating insurance sector in India.
